**Location:** Majuli, Assam

**Joining:** ASAP

**CTC:** Negotiable

### **About us**

Ayang Trust is a social purpose organization working towards building the ecosystem for sustainable self empowered communities in Northeast India through interventions in quality education and livelihoods. At the heart of the organization is The Hummingbird School started in January 2017 to provide a contextual and holistic education to the children of Majuli, set up completely in partnership with the local community. Ayang grew out of the various and urgent needs of the people of Majuli and was registered in November 2017 and has since expanded its work into a diverse range of development programs.

Ayang Trust is guided by the values of integrity, equity, excellence, love, and collaboration. We envision a world where everyone has a choice to live a life of love, dignity, and purpose irrespective of conditions at birth.

At The Hummingbird School, we believe that a school can be the center of social change. The Hummingbird School is a learning community of children, school staff, and the village community. We strive to learn with and from each other. At the heart of all of this is our vision to foster self-learning, critical thinking, and compassion in our children. Over the last 8 years, the school has been experimenting with and refining contextual pedagogical practices and curriculum to work towards this. The school is managed and run by Ayang Trust.

### **The opportunity**

Ayang Trust is seeking a **Maths Teacher** for The Hummingbird School in Majuli, Assam. This role is ideal for someone who believes in fostering a deep understanding and love for Mathematics through creative, engaging, and student-centered teaching methods.

### **Key responsibilities:**

- Design and implement an inclusive, innovative, and hands-on Mathematics curriculum for secondary classes.
- Inspire students by cultivating critical thinking, creativity, and confidence in problem-solving.
- Establish a supportive and engaging classroom environment that encourages self-expression and collaboration.
- Help students connect mathematical concepts to real-world challenges, fostering ethical and analytical thinking.
- Utilize diverse teaching tools, including interactive activities and practical demonstrations.
- Actively contribute to the school's decision-making and community-building initiatives.
- Serve as a resource and support for fellow teachers.
- Participate in and assist with school events and activities.

### **Key role requirements:**

- Highly reflective, open to, and responsive to feedback.
- Ability to engage with and inspire curious minds.
- Eager to demonstrate classroom activities through hands-on, practical methods.
- Deeply passionate about teaching and shaping the next generation with integrity and purpose.
- Capable of remaining calm and focused in stressful or uncertain situations.

- Committed to equity and justice, grounded in love and compassion.

**Qualifications:**

- At least 2 years of relevant work experience in teaching or related fields.
- A graduate or postgraduate degree with a specialization in Mathematics.
- Candidates with a B.Ed. or other related qualifications will be given preference.
- Proficiency in both oral and written English is essential; knowledge of local languages will be an added advantage.

**Why Join Us:**

Ayang Trust offers a unique opportunity for individuals to immerse themselves in meaningful, community-rooted work. Here's what you can expect:

- A nurturing environment where team members feel secure, respected, and empowered to grow.
- The freedom to bring your ideas to life and contribute meaningfully to our evolving work.
- A team that thrives on experimentation, creativity, and continuous shared learning.
- The chance to work closely with rural communities and contribute to long-term, sustainable change.
- A culture of peer support, reflection, and values-driven mentorship that encourages both personal and professional development.
